# Not getting the sleep you need?

## Is your pillow the problem?

On its 10 year anniversary and with over five million satisfied customers, MyPillow® has been selected the *Official Pillow of the National Sleep Foundation!*

### How Well Did You Sleep Last Night?

Did you toss and turn all night? Did you wake up with a sore neck, head ache, or was your arm asleep? Do you feel like you need a nap even though you slept for eight hours? Just like you, I would wake up in the morning with all of those problems and I couldn't figure out why. Like many people who have trouble getting a good night's sleep, my lack of sleep was affecting the quality of my life. I wanted to do something about my sleep problems, but nothing that I tried worked.

### The Pillow Was the Problem

I bought every pillow on the market that promised to give me a better night's sleep. No matter how many pillows I used, I couldn't find one that worked and finally I decided to invent one myself. I began asking everyone I knew what qualities they'd like to see in their "perfect pillow", and got many responses: "I'd like a pillow that never goes flat", "I'd like my pillow to stay cool" and "I'd like a pillow that adjusts to me regardless of my sleep position." After hearing everyone had the same problems that I did, I spent the next two years of my life inventing MyPillow.

Mike Lindell  
Inventor of MyPillow®

### MyPillow® to the Rescue

Flash forward ten years and MyPillow, Mike Lindell's revolutionary pillow design, has helped 5 million people improve the quality of their sleep. MyPillow has received thousands of testimonials about the relief MyPillow has brought to people who suffered from migraines, snoring, fibromyalgia, neck pain and many other common issues.

Lindell has been featured on numerous talk shows, including *Fox Business News* and *Imus in the Morning*. Lindell and MyPillow have also appeared in feature stories in *The New York Times* and the *Minneapolis Star Tribune*. MyPillow has received the coveted "Q Star Award" for Product Concept of the Year from QVC, and has been selected as the Official Pillow of the National Sleep Foundation.

MyPillow's patented technology can help with all of the most common causes of sleep loss and allows you to adjust it to any sleeping position. You can even wash and dry MyPillow as easily as your favorite pair of blue jeans!

*"Until I was diagnosed with various sleep issues, I had no idea why my sleep was so interrupted throughout the night. I watch Imus each morning and heard endless testimonials about MyPillow. I took his advice and ordered a MyPillow. Now I wake up rested and ready to conquer the day ahead. Thank you for helping me remember what it's like to sleep like a baby!"*

**- Jacqueline H.**

### Unprecedented Guarantee and Warranty

I do all of my own manufacturing in my home state of Minnesota and all materials are 100% made in the U.S.A. I'm so confident MyPillow will help you, I'm offering an unprecedented 60-day money back guarantee and a 10-year warranty not to go flat! I truly believe MyPillow is the best pillow in the world and that if everyone had one, they would get better sleep and the world would be a much happier place.
